Information to be Submitted upon the Registration of High-Risk AI Systems listed in Annex III in Relation to Testing in Real World Conditions in Accordance with Article 60

The following information shall be provided and thereafter kept up to date with regard to testing in real world conditions to be registered in accordance with Article 60:

1. A Union-wide unique single identification number of the testing in real world conditions;
2. The name and contact details of the provider or prospective provider and of the deployers involved in the testing in real world conditions;
3. A brief description of the AI system, its intended purpose, and other information necessary for the identification of the system;
4. A summary of the main characteristics of the plan for testing in real world conditions;
5. Information on the suspension or termination of the testing in real world conditions.
